ABOUT MEETION

Ever since its establishment, the “Promote the developing of science and technology products, deepen the innovating of science and technology service” have been our business philosophy. A series of fashion design & unique ideas & top quality of gaming and computer accessories have been marketed successfully under that philosophy. Company strength: Owning more than 200 employees ; Factory area more than 10000㎡;Six full automatics production assembly lines; More than 10 full intelligent injection molding machines;Computers and gaming accessories monthly output more than 800,000 sets. We pass and strictly implement the international quality certification system ISO9001：2015，ISO14001：2015 and ISO45001：2018. All of our products pass the international certification CE, FCC, RoHS and REACH, etc.

Because of the good reputation, perfect quality and high level design, a steady stream of products are exported from MEETION to the other countries and regions of the world; and also we have established good relations of cooperation with the well-known IT companies between home and abroad.

At the same time, good reputation, perfect quality and high level design also bring “MEETION” with a quite big market share and recognition from worldwide which belongs to one of our own brands MEETION. We are striving to become a well-known brand.
Endless is the road ahead, I shall pursue the truth by all means.
